

Reservations for inoculation with the Omicron-strain matched coronavirus vaccine booster dose will begin from 12:00 on Thursday, 13 October 2022

The following is an overview of the vaccination carried out at the university

1. Date and time

From 31 October – late-December (provisional)

Weekdays 09:30 – 09:45 & 16:00 – 16:45

There will be no inoculation session on Saturdays, Sundays or holidays

Please note that the session may end earlier than stated or the times may change without notice subject to the progress.

2. Venue

Administration Bureau Bldg. No. 2, Hongo Campus, The University of Tokyo

(※Please note that the venue is not the Sanjo Conference Hall)

3. Eligibility

Those who are over 18 years old and meet the following criteria are currently eligible (※inoculation is by choice)

- Anyone who falls in any of the following categories (Whether or not you have received the first or second shots of the vaccine is not questioned)
 - ・ Students enrolled at the University of Tokyo (UTokyo) (including specially registered students and research students)
 - ・ Academic and administrative staff employed by UTokyo (including academic and administrative staff employed at the school attached to the Faculty of Education)
 - ・ Visiting faculty, part-time lecturers (including seconded) etc. working at the university
 - ・ Researchers who work at UTokyo on a daily basis (including those who do not have the Common IDs)
 - ・ Others who work at UTokyo on a daily basis
 - ・ Families, and co-habitants of students, academic and administrative staff of UTokyo

- Those who have received the “booster vaccination” or “vaccination against omicron strains” vaccination voucher sent by the municipality (submission of voucher after the event will not be accepted. Only vaccination vouchers from the municipality you are registered with as resident on the day of the vaccination will be accepted.)

- Those who have been vaccinated two or more times
- Those who have not had their first or second coronavirus vaccinations are recommended to receive the first doses of the conventional vaccine as soon as possible. Please contact your local municipality office for the venue.
- Those who do not have a vaccination voucher please click here (Please also see the Vaccination Navi of the Ministry of Health, Labour and Welfare)

○ It has been over five months since your last vaccination

(※ The age, vaccination vouchers, and other condition are specified by the MHLW for the implementation of workplace vaccinations (booster vaccinations))

4. Interval between shots

You will be able to receive the booster shots if it has been **five months or more since your last shot of the vaccination.**

You will not be able to receive the vaccination if the interval is less than five months.

※ You will be able to receive the vaccination from five months to the date since the last shot

If the day after five months does not fall on a day the workplace vaccination, you will be able to receive the vaccination on the subsequently available date for the workplace vaccination.

Date of last shot	Date you can receive next shot
1 June 2022	1 November 2022 or later
8 July 2022	8 December 2022 or later

5. Vaccine type

Moderna Japan: Spikevax Intramuscular Injection (2-type: Original / Omicron BA.1)
Please click here for more details

6. Number of shots for this booster

One

7. Making a reservation

Please make your reservation through the following UTokyo Coronavirus Vaccination website

Please note that your voucher number that can be found on the booster vaccination voucher or omicron variant vaccination voucher sent by the municipality office will

be required when making a reservation. However, it is still possible to make a reservation even without the voucher, but please make sure that you have the voucher by the time of the vaccination. If you have not received the voucher by the reserved date, you will not be able to receive the vaccination, therefore please change your reservation. Making reservations by telephones is not accepted.

If you find it difficult to use the internet due to disabilities, please call 03-5841-3554 for support. Please note that priority will not be given and support can only be provided as long as there are vacant slots available.

UTokyo Booster Vaccination Reservation (Reservations start 12:00, 13 Oct. (Thurs.))
