### IARU Summer School 2023

#### **Borderland: Critical Approaches to Field Research in the Global South, Chiang Mai Thailand**

**3 July 2023 – 28 July 2023**

Open for Advanced Undergraduate (Bachelor Level) and Postgraduate (Master Level) from IARU universities

**Deadline for Applications: 1 April 2023**

Information and Application

Procedure: <https://kurser.ku.dk/course/aana18107u/2022-2023>

#### **Detailed Description**

Centering on the concept of “borderland” and the themes of migration, mobilities and immobilities that have emerged as among the most pressing 21<sup>st</sup> century challenges, that cut across 11 of the 17 UN Sustainable Development Goals, this UC-Berkeley – University of Copenhagen course, in collaboration with Chiang Mai University, engages students from multiple disciplines in thinking critically about the research process, epistemologies, and ethics in conducting research.

Students will interact with international and local scholars in structured seminars, and with communities and organizations working to address pressing local, regional and global issues through their placement with local NGOs and research projects.

**Where:** Chiang Mai, Thailand

**Who:** Advanced undergraduate (bachelor level) and postgraduate (master level) – open for IARU universities students from all disciplines.

**Credit Points:** ECTS 7,5

**Stipend** opportunities available

**Testimonial** here: <https://www.youtube.com/watch?v=eUIQmYVXzuc>

or here: <https://blogs.ethz.ch/ETHambassadors/2019/10/10/life-in-the-borderlands-chiang-mai/>

**Application Deadline:** 1 April 2023
