FAQ

Q What equipment do I need to participate in the virtual workshop?

A You will need a desktop computer, laptop or large-screen mobile device and a good headset for audio. The training will be conducted in English.

Q What's the best way to view the virtual workshop?

A For the best viewing experience, we recommend accessing the workshop using a desktop computer or laptop. If you are planning to join on your mobile device, please ensure that you download the GoToWebinar app ahead of time.

Q Is there anything I need to do before the virtual workshop?

A You should download the Workbook and review the activities ahead of time. We encourage you to try and complete them, and then you can revise your answer(s) if necessary, during the workshop. This will help us go through the activities more quickly during the workshop.

Q How do I register for the virtual workshop?

A You will need to register directly for the workshop. You will receive an e-mail ahead of time inviting you to register. Registering will take just a couple of minutes.

Q How do I join the virtual workshop on the day?

A Joining is easy and takes just a few seconds. Simply click the link in the email invitation to join the workshop at the specified time and date. You will proceed to the session immediately. Remember that you will need to have registered before the session begins. An excellent step-by-step guide with screenshots can be found at:
